On behalf of the amazing group of volunteers who make Lindfield Village Day happen - allow us to welcome you to this year's event! In the following few pages, you should find all you need to know about Saturday 3rd June - but if you need more, please check out: www.kingedwardhall.org.uk

The performance stage is back, thanks to the generous support of a number of local businesses - who are listed on page 44.

The Grand Competition Tent returns - your chance to get creative in all sorts of ways - and there's still time to get involved - see page 43.

For the first time since Covid, we are looking forward to coordinating a village procession down the High Street - see below.

The Food & Drink Quarter will be packed with the best variety of vendors we have ever seen at Village Day - all listed on page 40 (overleaf).

Along with the Grand Raffle, Children's Dog Show and other fun in the arena - there will be plenty to see and do on Saturday 3rd June!

David Tingley & Katherine Alcock – co-chairs

The procession is back for 2023!

We are delighted to be bringing back the Village Day procession for the first time since Covid.

Assembling at Hickmans Lane Playing Fields at 11.30am, this year's event is following the theme of 'celebrating pollinators' and is being pulled together with the help of arts organisation Same Sky, courtesy of a Mid Sussex District Council grant. Schools, groups and societies are being encouraged to be creative around the topic, with the aim of making this year's procession even more spectacular than ever.

The gathered masses will process, leaving at 12noon, going down the High Street and ending up in the arena on the Common.

Same Sky will be running FREE drop-in public art sessions in the run up to the big day. Search Facebook for Lindfield Village Day for up-to-date information of the workshops taking place between Mon 29th May to Fri 2nd June. These sessions will enable you to make your own creations or costumes with help and materials from Same Sky, or just add to a larger community piece, which will be in the procession.

If you would like to find out more about being part of it, email Julie ASAP - who would love to hear from you: procession@kingedwardhall.org.uk.

The Grand Competition Tent

Calling all bakers, makers and crafty-types!

It's back! The Grand Competition Tent will be on the Common on Village Day this year. Along with the procession theme this year, our categories celebrate nature, pollinators and sustainability - with a bit of coronation thrown in as well; we couldn't let this momentous event pass without a nod to our new monarch! Our judges are all local experts who are already excited to see your entries.

In each of the groups there are one or two categories that are just for the younger generations, but all other categories are open to all ages. So, if you are a brilliant baker, a flourishing florist or a creative crafter of any age – join in the fun!

All entries in the children's categories will be judged in the following age groups: 5 and under, 6-10 years, 11-16 years.

You may enter as many categories as you want for just £1 entry fee per person. Registration is now open and will close at 10pm on Thursday 1st June.

To enter, visit the website for the event at: www.kingedwardhall.org.uk/village-day or pop into Ounce (refill store) on the High Street to complete a form and pay your £1 fee (exact money only please).

All entries must be delivered to the Grand Competition Tent on the Common on Village Day (Sat 3rd June) between 9am-10am. The tent will be closed for judging between 10am and midday. It will reopen from midday so that visitors to Village Day can view all the entries, including those judged the best in each category. All entries must be collected between 4.30pm and 5pm at the end of the day.

Food and Drink

- **Cordials, Liqueurs, Wines and Beers** – If you like to create a delicious drink we are the competition tent for you. From elderflower champagne to sloe gin, ales to wines. We really want you to bring a bottle!
- **Your Lockdown Bread** – Show us your Pandemic Pain (see what we did there?) Did you perfect sourdough bread over lockdown, maybe it's a fantastic wholemeal? All shapes and sizes, styles and flavours of homemade bread accepted.
- **Children's Category: Creative Cookies** – We love a cookie! Bring us six decorated biscuits on the theme of bees and flowers. Homemade or shop bought biscuits accepted, but decorated with your very own hands.

Wild and Wonderful Art and Craft

- **Wild Lindfield** – Your wild Lindfield, any medium. Photography, paint, graphics, textile...
- **Sustainable Sashiko Sewing** – Using the popular, simple and beautiful Japanese art of Sashiko, upcycle an accessory or item of clothing.

- **Children's Category: A Coronation Crown** – Junk model your way to the Tower of London with a crown fit for a king.
